General provisions - show:

Judging will be carried out according to FCI and ČMKU (Czech-Moravian Cynological Union) show rules. The age of the dog on the day of the show is decisive for inclusion in class; other conditions must be met on the day of application. If certificates for inclusion in Working class or documents entitling inclusion in Champion class and Honour class are not provided, organizers will place the dog in Open class. If the exhibitor does not state a class (and the dog may be classified into more classes by age - Junior, Intermediate, Open), organizers will classify the dog in Open class.

The following are excluded from participation in the show:

- a) Dogs not listed in the catalogue. Exceptions are dogs that are not demonstrably listed in the catalogue through the fault of the organizers and dogs whose assessment is the basis for inclusion in the Auxiliary Register.
- b) Sick dogs, dogs suspected of carrying a disease, dogs recovering from an injury, bitches in the last trimester of pregnancy, lactating bitches, and bitches in heat.
- c) Dogs owned by persons who have been stripped of the right to show.
- d) Dangerous dogs - biting and aggressive behaviour towards people and other dogs.
- e) Dogs with cropped ears.

All exhibitors agree to the publication of their address in the catalogue.

Furthermore, all exhibitors agree to the publication of health examination results on the club website.

Failure to attend the show for any reason does not entitle anyone to a refund.

Objections

Objections against a judge's decision are not permitted. Objections may only be made for formal reasons, e.g. for violation of show rules or schedule. An objection must be submitted in writing along with a principal sum of CZK 1,200 to the show office during adjudication. If the objection is not upheld, the principal sum will be forfeited in favour of the show organizers.
